Test Question

1. Create a Front end and backend for this following forms.

Login.html

A mockup of a login form. The form is a white rounded rectangle centered on a light gray background. At the top, the word 'Login' is written in a large, bold, black sans-serif font. Below it, the label 'Username:' is followed by a white rectangular input field with a thin gray border. Underneath that, the label 'Password:' is followed by a similar white rectangular input field. Below the password field is a solid green rectangular button with the word 'Login' in white text. At the bottom of the form, the text 'Forgot Password?' and 'Register' are displayed in a blue, sans-serif font, with 'Register' on a new line.
